

Pension Benefit Guaranty Corporation

§ 4041.42

a state or a political subdivision of a state, or a case described in paragraph (e)(1) of this section has been converted to such a case;

(ii) As of the proposed termination date, the case has not been dismissed;

(iii) The person notifies the PBGC of any request to the bankruptcy court (or other appropriate court in a case under such similar law of a state or a political subdivision of a state) for approval of the plan termination by concurrently filing with the PBGC a copy of the motion requesting court approval, including any documents submitted in support of the request; and

(iv) The bankruptcy court or other appropriate court determines that, unless the plan is terminated, such person will be unable to pay all its debts pursuant to a plan of reorganization and will be unable to continue in business outside the reorganization process and approves the plan termination.

(3) *Inability to continue in business.* This criterion is met if a person demonstrates to the satisfaction of the PBGC that, unless a distress termination occurs, the person will be unable to pay its debts when due and to continue in business.

(4) *Unreasonably burdensome pension costs.* This criterion is met if a person demonstrates to the satisfaction of the PBGC that the person's costs of providing pension coverage have become unreasonably burdensome solely as a result of declining covered employment under all single-employer plans for which that person is a contributing sponsor.

(d) *Non-duplicative efforts.* (1) If a person requests approval of the plan termination by a court, as described in paragraph (c)(2) of this section, the PBGC—

(i) Will normally enter an appearance to request that the court make specific findings as to whether the contributing sponsor or controlled group member meets the distress test in paragraph (c)(3) of this section, or state that it is unable to make such findings;

(ii) Will provide the court with any information it has that may be germane to the court's ruling;

(iii) Will, if the person has requested, or later requests, a determination by the PBGC under paragraph (c)(3) of this

section, defer action on the request until the court makes its determination; and

(iv) Will be bound by a final and non-appealable order of the court.

(2) If a person requests a determination by the PBGC under paragraph (c)(3) of this section, the PBGC determines that the distress criterion is not met, and the person thereafter requests approval of the plan termination by a court, as described in paragraph (c)(2) of this section, the PBGC will advise the court of its determination and make its administrative record available to the court.

(e) *Non-recognition of certain actions.* If the PBGC finds that a person undertook any action or failed to act for the principal purpose of satisfying any of the distress criteria contained in paragraph (c) of this section, rather than for a reasonable business purpose, the PBGC will disregard such act or failure to act in determining whether the person has satisfied any of those criteria.

(f) *Requests for deadline extensions.* The PBGC may extend any deadline under this subpart in accordance with the rules described in section § 4041.30, except that the PBGC will not extend—

(1) *Pre-distribution deadlines.* The 60-day time limit under § 4041.43(a) for issuing the notice of intent to terminate; or

(2) *Post-distribution deadlines.* The deadline under § 4041.50 for filing the post-distribution certification.

§ 4041.42 Administration of plan during termination process.

(a) *General rule.* Except to the extent specifically prohibited by this section, during the pendency of termination proceedings the plan administrator must continue to carry out the normal operations of the plan, such as putting participants into pay status, collecting contributions due the plan, and investing plan assets.

(b) *Prohibitions after issuing notice of intent to terminate.* The plan administrator may not make loans to plan participants beginning on the first day he or she issues a notice of intent to terminate, and from that date until a distribution is permitted pursuant to § 4041.50, the plan administrator may not—

§ 4041.43

(2) Pay benefits attributable to employer contributions, other than death benefits, in any form other than as an annuity; or

(3) Purchase irrevocable commitments to provide benefits from an insurer.

(c) *Limitation on benefit payments on or after proposed termination date.* Beginning on the proposed termination date, the plan administrator must reduce benefits to the level determined under part 4022, subpart D, of this chapter.

(d) *Failure to qualify for distress termination.* In any case where the PBGC determines, pursuant to § 4041.44(c) or § 4041.46(c)(1), that the requirements for a distress termination are not satisfied—

(1) The prohibitions in paragraph (b) of this section, other than those in paragraph (b)(1), will cease to apply—

(i) Upon expiration of the period during which reconsideration may be requested under §§ 4041.44(e) and 4041.46(e) or, if earlier, at the time the plan administrator decides not to request reconsideration; or

(ii) If reconsideration is requested, upon PBGC issuance of its decision on reconsideration.

(2) Any benefits that were not paid pursuant to paragraph (c) of this section will be due and payable as of the effective date of the PBGC's determination, together with interest from the date (or dates) on which the unpaid amounts were originally due until the date on which they are paid in full at the rate or rates prescribed under § 4022.81(c)(3) of this chapter.

(e) *Effect of subsequent insufficiency.* If the plan administrator makes a finding of subsequent insufficiency for guaranteed benefits pursuant to § 4041.49(b), or the PBGC notifies the plan administrator that it has made a finding of subsequent insufficiency for guaranteed benefits pursuant to § 4041.40(d), the prohibitions in paragraph (b) of this section will apply in accordance with § 4041.49(e).
